

## LMS - LAST MEN STANDING

LMS is a 5-piece Street Rock band from Dortmund, Germany that was formed in 1998. After years of rocking the underground scene and early successes at Emergenza Contest Finals 2000 and 2001, they played gigs with Killer Barbies, Emil Bulls or Gluecifer and released the demo cd "From The Gutter". In 2003 some lineup changes followed. The boys found in Henning Schulte the perfect rock n roll drummer. Seb Schulz is now the new guitar player with the power of a hurrican on stage.

At least Christian Mosblech replaced Ziad Hilal on bass guitar. Together with the founder Simon Michler on vocals and the six-string terrorist Al Wagner they are the best band in the rocking Ruhrpott Underground.

LAST MEN STANDING played more than 35 gigs in 2003-2005. In early 2006 LMS entered Urban Jungle Media Studio to record their EP "Ghost Notes".

Producer Olaf Urban created the perfect sound for LMS. Mastered by Vince Sorg at Principal Studios (H-Blockx, Donots, Exilia and many more)

"Ghost Notes" will be released worldwide on 21st april 2006 through Limited Access Records.

Check it out! "Ghost Notes" combines all trademarks of modern heavy rock music. Strong stoner guitars, metal drums and a pumping bass with a shouting madman at the mic.
